

Agenda for workshop in college of engineering,chennai

Two models have to be made namely

1.F1D glider

2.Missile model

For F1D glider:

-Topics to be discussed -30 minutes

- I. Primary control surfaces
- II. Types of gliders
- III. Winglets

-Model making-3 hours and 30 minutes

-Flying the models-30 minutes

For Missile Model:

-Topics to be discussed-30 minutes

- I. Difference between missile and rocket
- II. What is cruise missile?
- III. What is Ballistic missile?

-Model making and propellant mixing - 1hour and 15 minutes

-Flying the models (need power supply)- 45 minutes
